

CANDIDATE FOR VESTRY: Judy McDermott

After Jim and I moved to Quogue full time in 2005, we started coming to St. Mark's and both got involved in the church activities. Due to my experience with the Garden Club, I volunteered to refurbish the Gates Garden and oversee other necessary plantings on the church grounds. I then joined the Buildings and Grounds Committee to continue maintaining the property around the church.

In coordination with the Buildings and Grounds chair, Tim Feil, I coordinate the St. Mark's Grubby Sunday activities. I also assume the responsibility for the renting and maintaining of our Parish Hall. During this time the facility has had a slight increase in usage and revenue.

I try to make myself useful serving the ministry of St. Mark's wherever I can. Therefore, I would like to be a member of the vestry another term, and have the opportunity to continue serving in this capacity.
