

USHER REPORT

At this time, St. Mark's Church has a total of twenty ushers, many of which are seasonal. This includes six-ushers dedicated to the eight o'clock service. Our group rotates on a three to five-week basis allowing all to actively participate in the services.

The schedule of ushering duties is published a minimum of three months in advance. We could use additional ushers to support both services, male or female. Anyone interested in becoming an usher, please contact Kurt Hofmann.
