The Heart That Grew Three Sizes: Find the True Meaning of Christmas in the Grinch

Rediscover the gift of Advent that comes without packages, ribbons, and bows. We don't know why the Grinch hated Christmas. We just know he did. In this new Advent study, Matt Rawle explores the faith themes in the Christmas classic, *How the Grinch Stole Christmas!* including, how did the Grinch's heart grow three sizes come Christmas morning? How did Christmas save the Grinch? Could it be that the very thing we think we hate is the one thing that changes our lives? This Advent and Christmas season, look at a familiar classic through the lens of faith and see how Christ speaks to us through our culture.

BULLETIN INSERTS

December 1, 2024 – Advent 1 (C) First Week of Advent: Saying “Yes” to the Journey

As Advent begins this week, we invite you to orient yourself to the coming of Jesus at Christmas through the practices of *Journeying the Way of Love*. This journey begins by saying “yes” to God’s call to birth new life into the world—a call that is both powerful and gentle, a call that will, if fully embraced, grow beyond our imaginations, spilling out of ourselves and into our family, friends, community, and the whole world. Over the course of this holy season, we invite you to respond to that call using these daily practices, and encourage you to offer them to your friends, family, and neighbors.

For more Advent resources related to the Way of Love, visit episcopalchurch.org/wayoflove. There, you’ll find links to the full Advent curriculum *Journeying the Way of Love*, as well as *Living the Way of Love in Community*, a nine-session curriculum for use anytime.

Sunday, December 1

WORSHIP

Read Luke 21:25-36. How do the symbols of the Advent season help you understand the story of Jesus? Where do you see them in your worship today?

Monday, December 2

PRAY

Pray along with the Collect for Advent 1, found on page 211 of *The Book of Common Prayer*. Set a timer for three minutes to sit in silence and hear what God might be saying back to you.

Tuesday, December 3

TURN

Read Isaiah 58. How does this reading challenge you to think about feasts and festivals differently? How might this lesson change the way you celebrate or recognize this holy season?

Wednesday, December 4

BLESS

Call or write a letter to a family member with whom you would like to have a closer relationship. Make plans in the new year to chat on the phone or meet over Zoom or in person. Let them know how much you love them and look forward to knowing them better.

Thursday, December 5

REST

Put your phone on airplane mode and leave it in a dresser drawer for an hour or two. Whatever happens in that time, you can handle later. Give this time to yourself and Jesus, to rest and recharge for the week ahead.

Friday, December 6

GO

Go out into your neighborhood today. Where is God at work? Ask God to show you how you can celebrate that good work and name God’s presence in your community.

Saturday, December 7

LEARN

Read Luke 1:59-80. When Zechariah’s speech returns, he praises God. If you lost the power to speak for nine months like Zechariah did, what would be your first word of praise? Share this with your family, friends, and on social media.

Walk in Love Village

As a minority member of Trinity Cathedral, Sacramento, I am grateful for the opportunity to reflect on the stewardship theme and the call to “Walk in Love.” My journey to this community began nearly 30 years ago when I immigrated from Sierra Leone in West Africa to pursue a better life for myself and my family.

Since then, I have been blessed to serve in various capacities within my church and broader community. My involvement as an usher, livestream volunteer, lector, vestry chaplain, and Eucharistic minister has been a source of great joy and fulfillment. These roles have allowed me to express my dedication to the Anglican Church, a commitment that has been a central part of my life since childhood. My life’s journey has provided me with a unique perspective on the concept of stewardship. As the African proverb goes “It Takes a Village” expresses the notion that success and overcoming obstacles frequently involve the assistance, collaboration, and group effort of others, which was deeply ingrained in my upbringing and highlighted the value of community, cooperation, and teamwork in achieving long-term objectives.

This makes me aware of the value of community, the importance of supporting one another, and the power of love in transcending cultural boundaries. Stewardship, to me, is about more than just financial contributions—it is about giving of oneself, sharing one’s talents, and fostering a spirit of love and inclusivity within the community. Matthew 25:14-30 is a parable that teaches about the importance of using one’s talents or abilities wisely.

As I reflect on the phrase Walk in Love, I am reminded of the profound impact that love can have when expressed through our actions. Walking in love demonstrates care and concern for others, fosters a sense of belonging, and builds a community rooted in compassion and empathy. Through this lens of love, I approach my stewardship responsibilities, seeking to nurture a community where everyone feels seen, heard, and supported. Together, let us walk in love, embracing our differences and nurturing a community where everyone can thrive and contribute their unique gifts to the greater good. | tens.org

Questions for Reflection:

What is an experience of collaboration you have had in your life that demonstrates how we combine our skills to create community?

Can I donate stocks to Saint Mark's?

When considering a gift or pledge for Saint Mark's, if you own stocks, you might want to look at donating highly appreciated stocks directly to the church's account. If you were to sell them first, you would have to pay capital gains on the appreciation but if you send the stock directly to the church without selling it, you get credit for the appreciated value of the stock without incurring a tax expense. The church will sell it immediately upon receipt and advise you of the value of your gift.

ANNOUNCEMENTS

NEW STUDY – “The Heart That Grew Three Sizes” Starts Thursday, December 5 at 10:00 a.m. in-person and via zoom.

We don't know why the Grinch hated Christmas. We just know he did. If we're being honest, there's probably something within the Christmas season celebration that awakens a Grinch within all of us. Maybe the gift we unwrap was all wrong, or memories that were supposed to be joyful never were. When everything seems wrong in the world, even joyful celebrations are much too loud. In this new Advent study, Matt Rawle explores the faith themes in the Christmas classic, *How the Grinch Stole Christmas!* This Advent & Christmas season, look at a familiar classic through the lens of faith. Books can be purchased through Amazon. Join Zoom Meeting: <https://us02web.zoom.us/j/5697969237> and Meeting ID: 569 796 9237 or via One tap mobile +16468769923,,5697969237# US (New York)
